

Long Shots Feature Laurel Race Meet

Ladies' Day Brings Out Throng of 10,000—Track Is Fast and Events Well Handled.

By GEORGE B. MORRIS.

Laurel, Md., Oct. 9.—With a record-breaking crowd of 10,000 persons the second week of the Laurel Race Association's meeting was ushered in today. Clear, sunny weather, a fast track, and an excellent card prevailed.

Today being ladies' day, the grand stands were thronged with the fair sex. As on all ladies' days long shots prevailed, and the horses—luckily for the ladies—with pretty names came home first under the wire with nice long prices attached to them.

Two killings were made. Miss Jonah, from the stable of J. W. Hedrick, 30 to 1, captured the third race, a selling event at six furlongs. One well-known Washingtonian had \$300 on this horse strutting across the board. His winnings netted him in the neighborhood of \$1,200.

On this event the public played J. H. Houghton, a much-fought horse, but the nag was never in the running.

Gold Cap, owned by E. P. Conney, was another good thing. Opening at 20 to 1, he was quickly plucked down to 3 to 1 and came home winner by two lengths. The wire ones cleaned up on this race.

Favorites did not fare well. Helen Barlowe being the only winning favorite of the day.

In the last event, Eidelweiss, left at the post, ran around his field and came away in the run home through the stretch and won by two lengths. Eidelweiss showed conclusively that he was the best. Right to one was his closing price.

The management have put handsome side souvenir programmes to the ladies. Many of these unfamiliar to the ladies played them as they were printed on the souvenir programme. Those who did had a good day's results. Eidelweiss was run off exactly as per schedule, there being no waste of time between the events.

From the record-breaking attendance today, it is plain that "Early Brown," secretary of the association, has made a hit with the public.

The management announced today that next Friday would be given over to the ladies again, and on this date ladies will be admitted to the track free, and the day will be filled with the racing of the leading horses who have been in action in Canada, have wired for reservations for their horses, and many others from the foreign countries are expected to arrive this week. GRIDIRON GOSSIP

By C. W. SWAN.

Coach Nelson, of the Georgetown football eleven, had the first and second teams scrimmaging for fifteen minutes yesterday, the scrubs using the formation of the Indians, and the regulars doing great work against them. The practice was held behind closed gates. Tickets for the game Saturday are now on sale at the local sporting goods stores, and they may be had at any time. The team will most likely start against the Indians Saturday the same as in the William and Mary game, with Costello at quarter. That will be the only change.

Business High was strengthened yesterday by the addition of Bromley, a husky tackle. The lad has had some experience in the West, and should prove to be a big help to the Stenographers' line.

It looks as if Catholic University will have a good football team this year, and from the present indications a much better team than last year will be developed. There are about thirty-five candidates for the team, and about ten of last year's team are back. Three of the back field men are in college, and a fast team should be turned out at the Brookland institution.

Tech defeated Episcopal High yesterday, 5 to 0, and by that stamped themselves as being a team of no mean ability. The Blacksmiths will be weakened by the loss of Morris, should he be unable to play, and it begins to look as if Country will not take part in the scholastic series, but with young Stead running the team the Blacksmiths will again be able to give a good account of themselves. The quarter back does not handle the ball, Eckendorf making direct passes to the backs.

Business plays the Georgetown Prep tomorrow on the Prospect field, and after that game the Business students will be able to get a real line on the Stenographers. In the Cathedral School game the Business team had the advantage on the Episcopal lads, as they had only been out work and the majority of the Cathedral team did not know much football.

If Eastern turns out a winner it will be a surprise even to her most loyal followers. Of last year's veterans only Weaver and Whitman have been regularly in uniform. Capt. Weaver is now on the list of cripples, with a troublesome knee. Whitman has had no chance in the scrimmage work owing to a sprained wrist. Pope, who was a star player at tackle last year, has been out for two weeks, and it is thought he will not play again. This will be a hard blow to the Blue and White eleven, for his high experience and insight he sure would have done much to brace the new men.

Thus it will be seen that a new team must represent the Capital Hill school this fall. Material has ever been scarce at Eastern, which is the smallest of the high schools, and this year is far from an exception. To add to the new coach's problem, the last eight of the twenty men out, and they the heaviest and older are ineligible because of student conduct, hence a selection of players is not permissible.

However, figures may show a different result and there may be a treat in store for the Capital Hill eleven.

TIGER LINESMEN WORKED.
Princeton Backfield Strong, but Line Is Weak.

Princeton, N. J., Oct. 9.—The Princeton coaches went right back after the line men again this afternoon in practice while the backs were given a rest, save for some running down under punts and falling on the ball.

The big success against Rutgers, Stevens and Villanova were due to the line men playing at all satisfactorily. They do not charge together. McCormick and McLean have seen the biggest offender, and they came in for a lot of hard drilling under the critical eyes of the coaches this afternoon. Their defensive play has improved, but they are at present very weak in offensive work. The line men are all big, strong-spirited fellows, and the coaches feel hopeful of bringing them round gradually.

INDIANS PREPARE FOR GEORGETOWN

Coach Warner Gives Them Long Chalk Talk.

Carlisle, Pa., Oct. 9.—In better physical condition than could be expected, the Carlisle Indians went into the evening's practice on the school gridiron after an extended chalk talk delivered in the cage by Coach Warner on the new plays he has partly worked out for the coming string of big games now facing the Redskins.

Saturday's game closed Carlisle's home season, except for reserve events. Carlisle is informed that the Washington game against Georgetown on Saturday will be the biggest football event in the South, and believes that the District Collegians expect to pluck Redskins scalp. With this afternoon's work as a criterion, it may be said that Georgetown will face an eleven trained for any emergency. Elementary work today was brief, but signals were emphasized, and the closing scrimmage was as intense as a game before thousands.

Flannery, the Mount St. Mary's full back, charged here yesterday, but was in good shape, and will leave the Indian hospital in a few days.

TECHNICAL WINS.
Defeats Episcopal High Eleven by 5 to 0 Score.

Alexandria, Va., Oct. 9.—The Technical High School of Washington scored its first victory of the season here today, defeating Episcopal High School, 5 to 0. Peake made the only touchdown of the game in the first quarter after five minutes of play. Heine kicked the pignone down the field, Peake recovering and running 25 yards for touchdown. Tech's full back tried to go for touchdown, but the ball failed to go over the post.

Hughes, the former V. P. I. quarter back, who is coaching the local squad, used sixteen men in his line-up.

Both teams worked the forward pass on several occasions and met with success. Peake, Heine, Davis, and Eckendorf starred for the victors, while Marks, Welford, and J. Kimbrough put up good games for the locals.
